While completion of Form WH-347 is optional, it is mandatory for covered contractors and subcontractors performing work on Federal, State, or local construction contracts. It is required to complete this collection of information for all persons in the Federal agency contracting for or financing the construction project, accompanied by a signed "Statement of Compliance" indicating that the payrolls are correct and complete and that each laborer or mechanic has been paid not less than the proper Davis-Bacon prevailing wage rate for the work performed. DOL and Federal contracting agencies receiving this information have the authority to determine that employees have received agreed-upon wages and fringe benefits.

Public Budget Statement

While completion of Item WH-547 is optional, it is mandatory for OSHA contractors and subcontractors performing work on Federal facilities or assisted construction contracts to complete weekly statements with respect to the wages paid their employees during the preceding week. U.S. Department of Labor (DOL) regulations at 29 C.F.R. § 3.56(a)(3) require contractors to copy all payments to the Federal agency contractor's copy of all invoices to the Federal agency contractor for funding the construction project, accompanied by a signed "Statement of Compliance" indicating that the payrolls are correct and complete and that each employee has been paid at least what the proper Davis-Bacon prevailing wage rate requires. Contractors completing such information to determine if employees have received legally required wages and fringe benefits.

The Copeland Act (40 U.S.C. § 3145) contractors and subcontractors performing work on Federal facilities or assisted construction contracts is required to provide the information collection contained in 29 C.F.R. §§ 3.56(a). The Copeland Act (40 U.S.C. § 3145) contractors and subcontractors performing work on Federal facilities or assisted construction contracts is required to provide the information collection contained in 29 C.F.R. §§ 3.56(a).

While completion of Form WH-347 is optional, it is mandatory for covered contractors and subcontractors performing work on Federal, State, or local construction contracts to report to the information collection contained in 29 C.F.R. §§ 3.3, 3.5(a), The Contractor and Subcontractor Information Reporting System (CIRS) a statement with respect to the wages paid each employee during the preceding week. When completion of Form WH-347 is optional, it is mandatory for covered contractors and subcontractors performing work on Federal projects or awarded construction contracts in which weekly a statement with respect to the wages paid each employee during the preceding week. U.S. Department of Labor (DOL), regulations at 29 C.F.R. § 5.5(a)(6)(ii) require contractors to submit weekly a copy of all payrolls to the Federal agency sponsoring or awarding the construction project. Contractors are required to submit a signed Statement of Compliance, certifying that the payrolls are correct and complete and that each worker or employee has been paid not less than the proper Davis-Bacon prevailing wage rate for the work performed. DOL and Federal contracting agencies reserve the information to determine that employees have received legally required wages and fringe benefits.

When completion of Form WH-347 is required, it is necessary for covered contractors and subcontractors performing work on Federal, State, or local government projects to provide to the Administrator, Wage and Hour Division, U.S. Department of Labor (DOL), a copy of all data to the "human weekly statement" with respect to the wages paid each employee during the preceding week. U.S. Department of Labor (DOL) regulations at 29 C.F.R. 1.5 (a)(1)(iii) require contractors to submit weekly a copy of all data to the Administrator, Wage and Hour Division, U.S. Department of Labor (DOL). The Administrator, Wage and Hour Division, U.S. Department of Labor (DOL) will not accept a copy of the "human weekly statement" unless it is complete and that each laborer or mechanic has been paid not less than the proper Davis-Bacon prevailing wage for the work performed. DOL and federal contracting agencies require that employees be paid wages and fringe benefits.

Stipulations: estimate that is not to be used for purposes of the collection, including time for reviewing from officers, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. If you have any comments regarding these estimates or any other aspect of this collection, including suggestions for reducing this burden, send them to the Administrator, Wage and Hour Division, ESSA, U.S. Department of Labor, Room S3502, 700 Constitution Avenue, N.W., Washington, D.C. 20210.

While completion of Form WH-347 is optional, it is mandatory for certain contractors and subcontractors performing work on Federal, State, or local construction projects. It is required by the Information Collection Rule at 29 C.F.R. § 3.154. The Contractor Act (40 U.S.C. § 3145) contractors and subcontractors performing work on Federal projects or awarded construction contracts by "human weekly a statement with respect to the wages paid each employee during the preceding week." U.S. Department of Labor (DOL) requires contractors to submit weekly a statement with respect to the completion project, accompanied by a signed "Statement of Compliance" indicating that the payrolls are correct and complete and that each laborer or mechanic has been paid not less than the proper Davis-Bacon prevailing wage rate for the work performed. DOL and federal contracting agencies receiving this information to determine that a payroll (the "prevailing wage") is being paid to workers are not required to pay the prevailing wage rate.

StatementWe advise that it is well to base on an average of 15 minutes to complete the collection, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. If you have any comments regarding these estimates or any other aspect of this collection, including suggestions for reducing this burden, send them to the Administrator, Paperwork Project Team, Room 5202, 200 Constitution Avenue, N.W., Washington, D.C. 20210.

While completion of Form WH-347 is optional, it is mandatory for covered contractors and subcontractors performing work as federally financed or assisted construction contracts to respond to the information collection contained in 29 C.F.R. § 1.55(a). The Contract Act (40 U.S.C. § 3146) requires that all employers submit weekly a copy of all payrolls to the Federal agency contracting for the work performed. DOL and labor contracting agencies receiving the information review the information to determine if employees have received legally required wages and fringe benefits.

StatementWe estimate that it will take an average of 55 minutes to complete this collection, including time for reviewing instructions, searching existing data sources, gathering and reviewing the collection of information, if you have any comments regarding this burden estimate or any other aspect of this collection, including suggestions for reducing this burden, send them to the Administrator, Wage and Hour Division, ESA, U.S. Department of Labor, Room 33502, 200 Constitution Avenue, N.W., Washington, D.C. 20210.
